Technical Talk on “Innovation Evolves to Entrepreneurship”

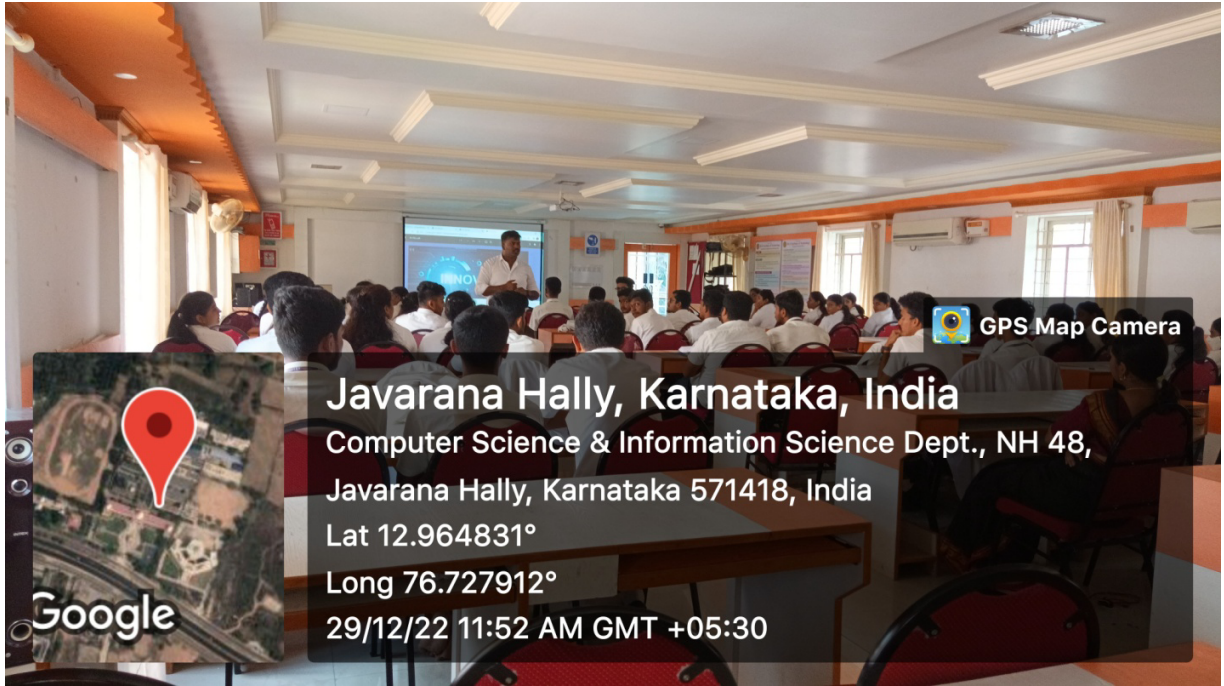

Department of Information Science and Engineering organized Technical Talk on 29th of December 2022

The main objective of this program is to spread the knowledge about “***Innovation Evolves to Entrepreneurship***”. The program started at 11 AM in Department Seminar Hall. The program was initiated under the guidance of ***Mrs. Vidhya S G, Asst. prof, Information science and engineering department.***

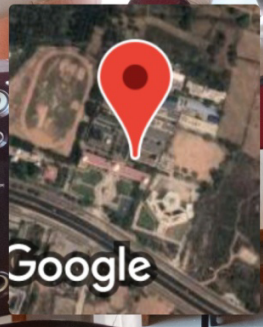

The host of the program was ***Mr. Sharath Raj*** from **Mysoftlabs Mysore**. The program was started with the introduction of the host. He started with the brief introduction of Innovation.

This Technical talk was an opportunity for students to explore an interesting innovation concept in the context of a real-world data set.

The ppt shared by him was easy to understand. Students gained basic knowledge about innovation and entrepreneurship. His interaction with the students was effective. There was a two-way communication between the students and the host. The session was grateful. More than 50 students were participated in the session and the program effectively motivated the students regarding Innovation and entrepreneurship concepts.
