OUR VALUE SYSTEMS

Imbibing moral values in one's life is very much essential for a peaceful and stress free life. Sri Adichunchanagiri Mahasamsthana Math (SACM) under the guidance of His Holiness Sri Mahaswamiji was able to initiate many moral related programs and activities through the Math.

Sri Math in association with Sri Adichunchanagiri Shikshana Trust ® (SAST) conducts regular Character Building and Life Skill, Personality Development, Value-Based Cultural Programs, Leadership Training Courses and Self Introspection Lessons wherein thousands of boys and girls get trained and induced to moral values in life.

Moral values are conveyed to youngsters and public through many discourses by the Poojya Mahaswamiji himself and through other spiritual leaders from organizations like Ramakrishna Ashram, Art of Living and other eminent personalities and other religious Heads and leaders.

Adichunchanagiri University inaugurated a Bot Lab in association with Automation Anywhere, a leading global automation solution provider, at its BGSIT campus on 21st June 2019.

Karnataka State Council for Science and Technology (KSCST) was established in the year 1975. It is one of the first State S&T Councils set up in the country. KSCST is an autonomous S&T organization under Department of Science & Technology, Government of Karnataka.

During the last 44 years, KSCST has been pro-actively engaging itself to identify, propose and implement S&T based solutions to locale specific needs/problems in the broad areas of Water, Education, Energy, Ecology and Environment, Waste management and Infrastructure. In co-operation with the Indian Institute of Science and several other premier R&D institutions, KSCST executes many projects and programmes aimed at improving socio-economic conditions of the people of the state.

Over the years, a number of technologies have been generated, from research and demonstration phase, to the implementation and operational phase. KSCST provides support to the Central and State Governments, in formulation of S&T based policies, scientific surveys, project implementation, evaluation, co-ordination & monitoring, organization of scientific meets and awareness campaigns. The Department of Science and Technology, Government of India advocated KSCST as a model to all the states.
